Land on the coastline with PiP of approved 3 bedroom villa

Excellent plot of land on the first line of the coast, with a magnificent sea and mountain views, where a sunset of rare beauty stands out where the landscapes of Porto Moniz and Seixal stand out.

It has a PIP approved for a modern villa that is very functional and suitable for the characteristics of this land, having the typology T3 and where a suite with a zacuzzi on the upper floor stands out and also having a swimming pool that can be built so that its water visually merges with that of the sea. This land has an agricultural haystack and is set in a quiet and pleasant location, ideal for those who want a life in tranquility with a spectacular view.

You can build a dream villa in a place with a fantastic view or rehabilitate the existing building and create a refuge there on an increasingly scarce and inaccessible first coastline.
