construction quality, excellent natural lighting, due to its main façade facing south, where you can enjoy a beautiful sunset and not to mention the breathtaking view over the Atlantic Ocean.

The dormitories have generous areas, some of them en suite, with spacious dressing rooms. The living/dining room offers excellent lighting with access to the balcony, where you can enjoy a breathtaking view of the sea. Kitchen, in an open space concept, equipped with TEKA appliances, from hob, extractor fan, oven and built-in microwave, as well as dishwasher.

Outside, you will find a pleasant swimming pool, and a garden area, where you can enjoy moments of leisure.

The T2 and T3 typologies have two parking spaces, while the T1 fractions have 1 parking space, both with a charging station for electric cars.

It has central vacuum, pre-installation of air conditioning, solar panels, extraction system in the kitchen and sanitary facilities, pre-installation of electric shutters, high security armored door and video intercom.

Expected to be completed, first quarter of the year 2027.

Located in a privileged area, with good accessibility that allows quick access to the city center and expressway. A few minutes from the village of Câmara de Lobos. It is close to shops and essential services (restaurants, pastry shops/bakeries, supermarkets, pharmacies, educational and health establishments, among others).
